Placement Report - Masters in Finance

FOREWORD

The stellar placements at JBIMS reflect the strong association and confidence of the corporate on the capabilities and business acumen of our Masters in Finance students. The corporate recruiters offered multitude of coveted profiles in domains like IB, PE, Credit Research, Corp Banking, Corp Finance & many more .This is a testament to the faith shown in its pedagogy, faculty, alumni and students by the stalwarts of the industry.

Dr. Chandrahauns R. Chavan, Director, JBIMS said – “JBIMS reinforced its position as one of the premier business schools in the country as it completed its Final Placements for Masters in Finance Batch 2014-16. Wide array of roles offered is a testament to the exceptional quality of batch with a well-crafted career outlook. I would like to take this opportunity to thank all the recruiters for their continuous support and confidence in the Institute and its students.”

ABOUT MASTERS IN FINANCE

Masters in Finance journey

How it began

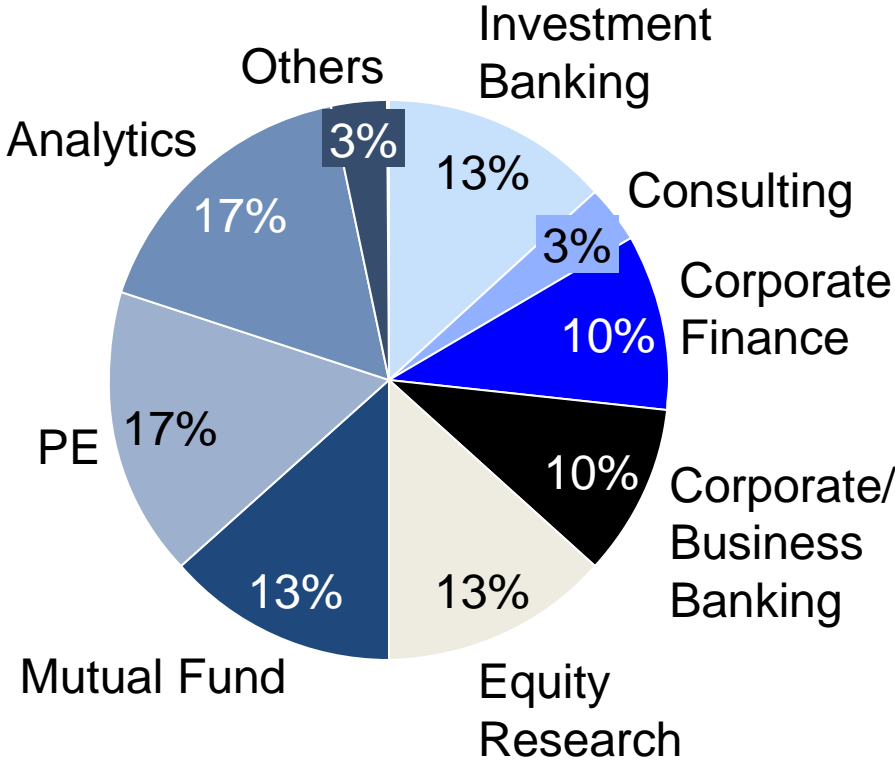

Masters in Finance, the first two-year full time, one of its kind program was started on the **recommendation of the former Indian Prime Minister, Dr. Manmohan Singh and the UGC**

Why 'Masters in Finance' ?

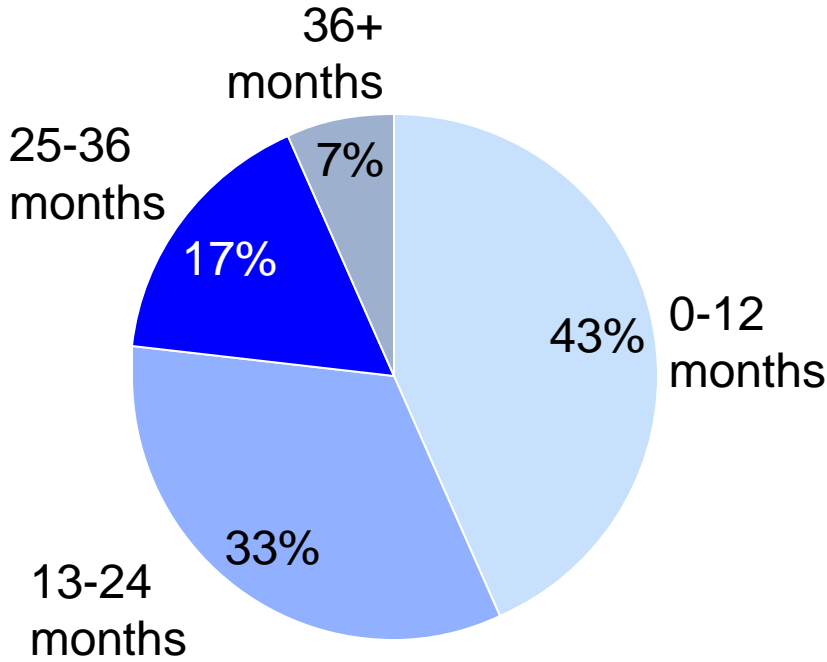

- The course is uniquely designed to shape “**Future Finance Leaders**”
- The course is designed to prepare students for a gamut of career opportunities in **financial industry and business conglomerates** requiring strategic thinking, analytical bent of mind, and deep understanding of financial markets and businesses
- The program goes beyond teaching financial theories by tapping in the knowledge of finance professors and industry experts who create synergies amongst statistics, business strategy, operations research etc.

FROM THE DESK

Prof. Balkrishna Parab, Placement Coordinator at JBIMS said – “ A rigorous admission process ensured the selection of the best talent and a good mix of fresh graduates and experienced professionals. As a result, corporate houses strongly appreciated and welcomed the Masters in Finance students, since its start in 2013. In addition to the regular recruiters, there has also been a steady rise in the number of companies participating this year. This is a testament to the quality of the talent pool offered in the financial industry and business conglomerates.”

Dr. Anil Pande, Co-Placement Coordinator said – “The continued rise in the diverse roles offered on campus highlights the perfect alignment of the course structure with the industry requirements. We are delighted to see an excellent response from recruiters and extremely proud to have completed another successful placement season of the Masters in Finance Program.”
