# About JBIMS

The Institute was founded in 1965 by the University of Mumbai. JBIMS has been a pioneer in management education and is consistently ranked among the top 10 premier B-schools in the country with a legacy spanning over the past 52 years. India's first full-time 2-year Masters in Management Studies (MMS) was started in JBIMS under the stewardship of the late Dr. K. S. Basu. Being one of the oldest B-schools in India, JBIMS has cemented its reputation as the preferred campus for the country's most prestigious organizations. The Institute has full-time faculty in core management disciplines and the functional areas of management. The Institute also has a panel of eminent management experts and senior practicing managers from diverse fields of management. JBIMS offers full-time and part-time programmes in management. The proximity of the Institute with the commercial hub of India is an added advantage. This has strengthened the affiliation of JBIMS with corporate magnates, illustrious alumni, and a large number of eminent visiting faculty. This exposure with industry experts has helped students to understand management practices and to hone their skills to match industry expectations.

# About M.Sc. Finance

Masters (M.Sc.) in Finance, the first two-year full-time course, one of its kind programme was started in 2013 on the recommendation of former Prime Minister Dr. Manmohan Singh. The course is uniquely designed to shape 'Future Financial Leaders'. The course structure is inclined towards that of the London School of Economics. The programme goes beyond teaching financial theories by tapping into the knowledge of finance professors and industry experts who create synergies among statistics, business strategy and operations research.

# From the Director's Desk

JBIMS has maintained its stronghold among premier B-Schools across the country and has witnessed another great placement season. By ensuring great opportunities for our students, we have successfully addressed the challenges thrown by the pandemic. We continue to lead management education with a high emphasis on quality and excellence for the overall development of our students. We thank our legacy recruiters for their continued faith and the new recruiters who have recognized the potential of our students. We are proud to have such an exceptional batch and believe they would take the institute's legacy ahead.

# From the Course Co-ordinator's Desk

M.Sc. Finance has successfully completed its Final Placement Process for 2020-22 batch and Summer Placement Process for 2021-23 batch. The programme is designed to provide a solid foundation in financial concepts and practices, by using analytical tools and developing skills that may be used to make informed financial decisions. Finance being a practical discipline, this programme is designed to integrate rigorous academic work with real-world examples to ensure that content is both intellectually challenging and relevant to the present times. The goal of this programme is to assist individuals and organisations in increasing their effectiveness in the field of finance. Corporate confidence in our students' abilities and the pedagogy of the course is reflected in the placement statistics. I thank our recruiters, alumni, and teachers on behalf of the course for making the placement process a success. In the coming years, we hope to maintain same level of excellent results!

# From the Placement Officer's Desk

With the completion of placement season in 2022, JBIMS has yet again stood by its tradition as one of the top B-schools in the country. The Training and Placement Office acts as a bridge between the industry and institutions to take up industrial training, industrial visits, organizing seminars and other activities. Furthermore, the Placement Committee is actively engaged in facilitating these corporate events. One of the key highlights of this season has been the extensive participation of India's finest and most reputed enterprises in the final placement and summer internship process. Widely acknowledged as the country's premier finance campus, JBIMS and its students continue to make their mark in a wide variety of domains. We place special emphasis on creating an environment highly conducive for building solid foundational knowledge, communication skills, soft skills, personality development, self-discipline and enhancement of self-driven creativity which enables the nurturing of world-class professionals.

The continuous success of JBIMS can be accredited to our faculty members and distinguished alumni whose support and trust has helped us create the leaders of tomorrow. I sincerely thank all our corporate partners for participating in the recruitment and internship process. I would like to thank the Placement Committee who has worked relentlessly to make this season extraordinary. Placements in 2022 have been wrapped up in record time and have surpassed previous benchmarks comfortably. I wish the Batch of 2022 all the best in their future endeavors.

# Placement Committee

We want to thank all the recruiters for their continued belief in the ability and professional competence of students at JBIMS. Our vibrant success in the Final and Summer Placements would not have been possible without the unwavering support of the college administration and the mentorship of accomplished alumni. Students have been able to realize industry expectations and develop into dynamic business professionals largely due to a carefully designed curriculum and highly interactive guest lectures. We are honoured to be associated with this exceptional placement season, which was completed in record time and has successfully eclipsed previous benchmarks. Finally, best wishes to the succeeding committees in further raising the bar and maintaining JBIMS' reputation as a preferred destination for corporate partners.
